

**Missouri Brownfields Conference Agenda**  
**Monday, July 11, 2016**

- 7:30 Registration for Missouri Waste Control Coalition (MWCC) opens
- 8:00 Plenary Session - *Kansas City Chief's Green Initiative* - Brandon Hamilton, Director of Facilities
- 9:00 SESSION 1 (Parasol 1) This session will provide a brief overview of the day's events and continue with information about how to identify and locate brownfields in your community and how the Missouri Department of Natural Resources' Brownfields/Voluntary Cleanup Program (BVCP) can help. Hear how one municipality used the Brownfield Inventory process to jump start economic development in their community.

Moderator: Scott Huckstep, BVCP

Speakers: Catherine Jones, BVCP

Bobbie Pennington, BVCP

Kathy O'Donnell, Mo-Kan Regional Council

10:15 BREAK

- 10:45 SESSION 2 (Parasol 1) Learn what to do if you own a brownfield property or know of a brownfield in need of redevelopment. This session will include information about Phase I and Phase II Environmental Assessments. You will hear from another community about how the no cost to you, Brownfield Assessment Program was beneficial in their redevelopment process.

Moderator: Catherine Jones, BVCP

Speakers: Mike Washburn, BVCP

Christine O'Keefe, BVCP

12:15 LUNCH (exhibit hall) MWCC annual awards luncheon and guest speaker Damon Carson

- 1:30 SESSION 3 (Parasol 1) Once you are familiar with brownfields, this session will help you navigate the remediation process; starting with an Analysis of Brownfield Cleanup Alternatives, continuing with information about the Voluntary Cleanup Program (VCP), and identification of the first of several funding sources available to help remediate brownfield properties. Hear how one community combined the free assessments, VCP, and grant funding to clean up a prominent property in their community.

Speakers: Desiree Pigford, BVCP

Kristin Allan Tipton, EIARA

Brian McCurren, BVCP

Kate Fjell, City of Boonville

3:00 BREAK

- 3:30 SESSION 4 (Parasol 1) The final session will offer information about three additional funding resources. Hear the experts talk about Community Development Block Grants (CDBG), United States Department of Agriculture (USDA) Rural Development's community resources, and the resources available through Kansas State University's (K-State) Technical Assistance to Brownfields (TAB) program.

Speakers: Blase Leven, TAB  
USDA  
Andy Papen, CDBG

- 4:30 Panel Discussion – All the speakers from the day will be available to respond to questions from the audience.

**Voluntary Cleanup Program (VCP) and Long-Term Stewardship (LTS)**  
**Tuesday, July 12, 2016**  
**Agenda**

- 7:30 Registration with MWCC begins. Breakfast is served and exhibits open
- 8:30 SESSION 1: This session will provide an overview of the BVCP, including tips and tricks for moving your site through the BVCP to get the Certificate of Completion as quickly and effortlessly as possible. This session will also contain an informative presentation on some of the perils and pitfalls of remediation, including some unusual finds in unusual locations.

Moderator: Scott Huckstep, BVCP  
Speakers: Wes March, BVCP  
Christine O’Keefe, BVCP  
Brian McCurren, BVCP

10:00 BREAK

- 10:30 SESSION 2: This session will provide new information on the Missouri Risk-Based Corrective Action (MRBCA) update and will present the success story of the Ford St. Louis Assembly Plant in Hazelwood Missouri. In addition, we will discuss the Long Term Stewardship (LTS) Program including a review of the online map and the overall mission of the program.

Moderator: Scott Huckstep, BVCP  
Speakers: Chris Cady, BVCP  
Don Cripe, LTS

- 12:00 Lunch (exhibit hall) Keynote speaker Jean Ponzi, Green Resources Manager, Missouri Botanical Garden's Earthways Center
